

PCB assembly...

SMD und THT

1-sided and 2-sided boards
Reflow and vapor phase
Manual soldering and solder wave
Press-fitting of components
Component size 0402 to BGA 40x40mm

Series production

Small and medium size

Our expertise

Production according to IPC-A-610 DE
ESD-compliant production environment
Certified according to DIN ISO 9001
RoHS compliant use of materials

Logistics

Worldwide material procurement and local warehousing, customer provision possible

Prototypes quick service

From 10 days including circuit board and components

Programming and testing

Within production
Creation of test equipment
Documentation of all processes

Service

Own department for fault diagnosis and repair of defective assemblies and devices
